Evidence Based Education

Assessment Essentials

Unlimited Licence

Introduction

Evidence Based Education are delighted to introduce the Assessment Essentials Unlimited Licence for international schools. Bringing what every teacher needs to know about assessment to the world.

This new licencing model is tailored specifically to the needs of the international school community and takes into account feedback from teachers and leaders from around the world.

Benefits

- Take a whole school approach to supporting your assessment strategy.
- Share a common professional dialogue between all teachers, from experienced to newly qualified.
- Get new starters up to speed quickly, and in sync with the rest of your faculty.
- Enjoy no restrictions on the number of places you use – logins are completely unlimited.
- Access world class training in your own time from anywhere with internet access.

Assessment Essentials helps schools reduce workload, question and improve existing practices, and maximise the power of assessment as a tool for learning.

Pricing

A one year unlimited licence starts at just £2500 per institution, and is available now.
