#### **About the District**

The Encinitas Union School District serves the City of Encinitas and the La Costa area of Carlsbad in North San Diego County. Approximately 5,500 students in Kindergarten through 6th grade are enrolled in the District's nine schools encompassing ten different sites.

#### **About Proposition P**

All schools and students in the Encinitas Union School District will benefit from Proposition P.

#### **Proposition P will:**

- Improve student access to computers and modern technology
- Provide for energy/water efficiency for the environment and to keep more money in the classroom
- Repair and replace leaky roofs
- Replace deteriorating plumbing systems
- Upgrade outdated and inadequate electrical systems
- Modernize classrooms, restrooms, and facilities
- Replace old heating and ventilation systems

Proposition P is subject to strict accountability requirements, including independent citizen oversight and annual audits, to guarantee that improvements specified in the District's facilities master plan are completed efficiently and as promised. **To: The Board of Trustees and Citizens of the Encinitas Union School District**

The Citizens' Oversight Committee is pleased to forward its third annual report on the \$44.2 million general obligation Proposition P bond initiative for the 2013-14 fiscal year covering the period of July 1, 2013 through June 30, 2014. The committee held our first meeting on November 7, 2013 and has recently completed its third year cycle.

Principal duties of the Committee are to ensure that proceeds have been expended for the purposes set forth in the Proposition P ballot language, report the progress annually to the public and provide a compliance statement. The District's Board of Trustees is responsible for monitoring potential cost overruns, priority of projects commenced and spending levels of individual projects.

The Committee this past year was able to focus on funds charged to all categories of the attached Expenditures by Category chart. The construction project at Park Dale Lane, the running track at Olivenhain Pioneer and the school facility at the Quail Gardens school/farm have been completed. This report highlights many of the active projects that will prolong the life of the District's facilities and improve the learning experience of its students.

The Committee relied on the annual financial audit of expenditures performed by Christy White & Associates CPA's and auditors for the bond funds, which disclosed no instances of non-compliance with the terms of Proposition 39 or Proposition P. This audit covers the fiscal year through June 30, 2014. The Committee wishes to report that, to the best of its knowledge, the Encinitas Union School District is in full compliance with the responsibilities as described in Article XIII A, Section 1(b) (3) of the California State Constitution. A full disclosure of expenditures and the Committee's deliberations can be viewed at <http://ww2.eusd.net/about/Pages/Proposition-P.aspx>.

In closing, please allow me to express my appreciation to my colleagues on the Committee and staff who have worked so hard this year. It has been my distinct pleasure to serve as chair of the Committee since March of 2014.

Very truly yours,

Alan Juliussen, Chairperson

Citizens' Oversight Committee
