## **RECORDING ON YOUR SCHOOL COMPUTER**

1) Open the *camera* using the “type here to search” bar at the bottom of the screen.

2) Make sure you click on the “video” option in the camera app.

3) Once you are done recording, your video will immediately be placed in the bottom right corner.

4) Click on the dots in the top right corner. Once you click on that there should be an option that says “open folder.”

5) Rename your video with your full name and the initials of your middle school (KiMS, RHMS, etc.)

6) Right click on the video and click the “share” option that has the blue cloud next to it.

7) Make sure that you change the link settings so we are able to view your video!

8) Click on the “Copy Link” option and email it to [jushopkins@lwsd.org](mailto:jushopkins@lwsd.org). You are done!

**If you have other platforms that you would like to use to create and share your video please use one that you feel comfortable with. These are just a few options that the AVID Team is familiar with.**

**We look forward to receiving all of your videos and meeting each of you!**
