## ABOUT US

Founded in 1975, Denver Jewish Day School (Denver JDS) has been educating Denver's Jewish youth for over 45 years. We use progressive, leading-edge education models to offer students a modern, integrated, and rigorous education rooted in Jewish tradition, ethics, and beliefs. Our faculty and staff partner with families to help each student reach his or her highest personal and academic potential. Every day at Denver JDS our students are inspired to explore, inquire, and grow.

Denver JDS is the largest K-12 community, preparatory, Jewish day school in the Rocky Mountain Region, serving 315 students. Our Upper Division athletes compete in the Colorado High School Activities Association (CHSAA.org) Division 1 volleyball, basketball, baseball, and soccer leagues. The school is housed on a beautiful 18-acre campus, which also serves as a center for community youth and educational activities.

### **Our mission:**

Our pluralistic Jewish community day school prepares and inspires Jewish students through an extraordinary secular and Judaic education to live purposefully, act ethically, and thrive in the world.
