

FRIENDS OF ELMWOOD

PARTNERSHIP PROPOSAL 2021

Friends of Elmwood is a partnership program for organizations or individuals who want to support the school, connect with members of the Elmwood community, and inspire the next generation of leaders.

Taking the shape of a sponsorship program with strong networking and mentorship elements, Friends of Elmwood supports the school's annual fundraising and strategic priorities, yet connections with the Friends of Elmwood goes beyond financial support. These on-going relationships will be built on a shared set of values around educating girls and young women. The network of Friends will be leveraged for summer employment, mentorship and internship opportunities, and their services and expertise will be promoted to our community.

Annual Investment: \$1,000.

BENEFITS OF BECOMING A FRIEND OF ELMWOOD INCLUDE

- Inclusion in a new online directory of supporting businesses (with a link to the company website where applicable.) This directory will be available on elmwood.ca year-round and promoted to our community during key periods;
- The opportunity to mentor senior students and share your business expertise, and access enthusiastic girls for internships and summer employment;
- Recognition on promotional materials for signature Elmwood.
- Plus other recognition and promotion opportunities to be discussed.
