

Farmington High School Summer Driver Education

If interested in Summer Driver Education through Farmington High School, it will be offered Online through Davis Students Connect.

1. Sign up **Early** if you want your license by your birthday. The online course will take between 27-30 hours to complete. Sign up through Davis Students Connect. You must have a valid driving permit.
2. Start practice driving with a parent. You should have between 10-20 hours before you register for the driving portion with an instructor. The state requires 40 hours of practice driving in order to get a license. 34 must come from a parent and 6 are required from a certified licensed road instructor.
3. Once you have completed the Online Course through Davis Students Connect, then you can register in the main office for the driving portion. Cost is \$80. Once registered, a driving instructor will call you to set up your driving. The state road test is also included.
4. Once you are 16, carried your permit for 6 months, and have completed all the above, you may set up an appointment with the driver license division to get your license.
