A NOTE ON WALK-IN SHOPPING:

Both children and parents are required to wear masks inside the store!

If you'd prefer to shop in-store, we are welcoming walk-in customers in limited numbers. The total customers permitted to shop at once is based on CDC guidelines as well as state and local mandates; we appreciate your understanding and patience as there may be a line to get into the store.

Please note: because our store capacity is limited, we recommend that you limit your shopping group to just your students and a single parent or guardian.
