

Outdoor Contact Sports Opt-In Form

Updated 2/16/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer outdoor contact sports for the 2020-21 school year in accordance with the Governor’s February 10, 2021 update to [Outdoor Contact Sports Guidance](#). Once final, this form will be posted to a school or district website and a link to it will then be sent to ODE.

In Lower Risk and Moderate Risk counties, practices and games for outdoor contact sports, including high school football, can resume following health and safety guidance to be issued by the Oregon Health Authority.

In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.

Plan Details for On-Site Testing for Symptomatic Individuals and Close Contacts

Please enter the details of your plan that correspond to the requirements listed above:

- We have submitted our test registrations for our comprehensive high schools and are waiting on the test kits.
- Our school athletic trainers are serving as our test administrators and test reporters.
- We have a distinct and detailed check-in process for practices and for games. Our coaches and meet management handle the duties of screening.
- All participants will sign a waiver for testing.
- Should a screener notice symptoms, we will offer the self-administered test and apply the quarantine guidelines as indicated in the OHA's testing guidance.
- Cohorts in contact with the affected participant or presumed case will follow OHA guidance on when to return.
- We will work with OHA and Washington County Health in regards to communication in the event of a positive case.

Contact Information for Contact Tracing

OHA Requirements

- The school must commit to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each outdoor contact sports practice and contest.
- Detail your school's specific plans to meet this requirement.
