

The Brewster Summer Covenant: OUR COVID CODE OF CONDUCT

Faculty, staff, students, parents, campers, and visitors are expected to act in a manner that demonstrates respect and consideration for those in the Brewster community, consistent with the Brewster Summer Covenant.

THOSE LIVING, LEARNING, PLAYING, WORKING, AND VISITING IN THE BREWSTER COMMUNITY WILL

Adhere to prescribed testing, quarantine requirements, and routine screenings;

Participate in training to understand the safety precautions that will guide our behavior during the summer;

Follow guidelines for mask wearing and social distancing on and off campus;

Maintain healthy standards of living (including but not limited to practicing good hygiene and keeping our spaces clean) to minimize the spread;

Report all symptoms of COVID-19 to the director of your specific program.

BREWSTER ACADEMY WILL

Maintain open lines of communication with all constituencies as we continue to manage the unfolding COVID-19 crisis. As we learn more and continue to monitor health guidance, we will adapt policies accordingly.

PROGRAM DIRECTORS WILL

Actively support this covenant by regularly encouraging compliance and reprimanding and reporting non-compliance with the Brewster Summer Covenant;

Communicate any/all concerns to Brewster Academy Summer Program Office;

Ensure that all programs and participants uphold the spirit of the Brewster Summer Covenant and are in compliance with New Hampshire state guidelines for operation during the pandemic.

Despite meticulous planning, it is impossible to eliminate all risk in the face of the COVID-19 pandemic. By working together in close partnership, we can reduce risk to ourselves and our community.
