### How do I upload my child's work and see feedback on Purple Mash?

To upload photos of your children's work to Purple Mash, please follow the steps below:

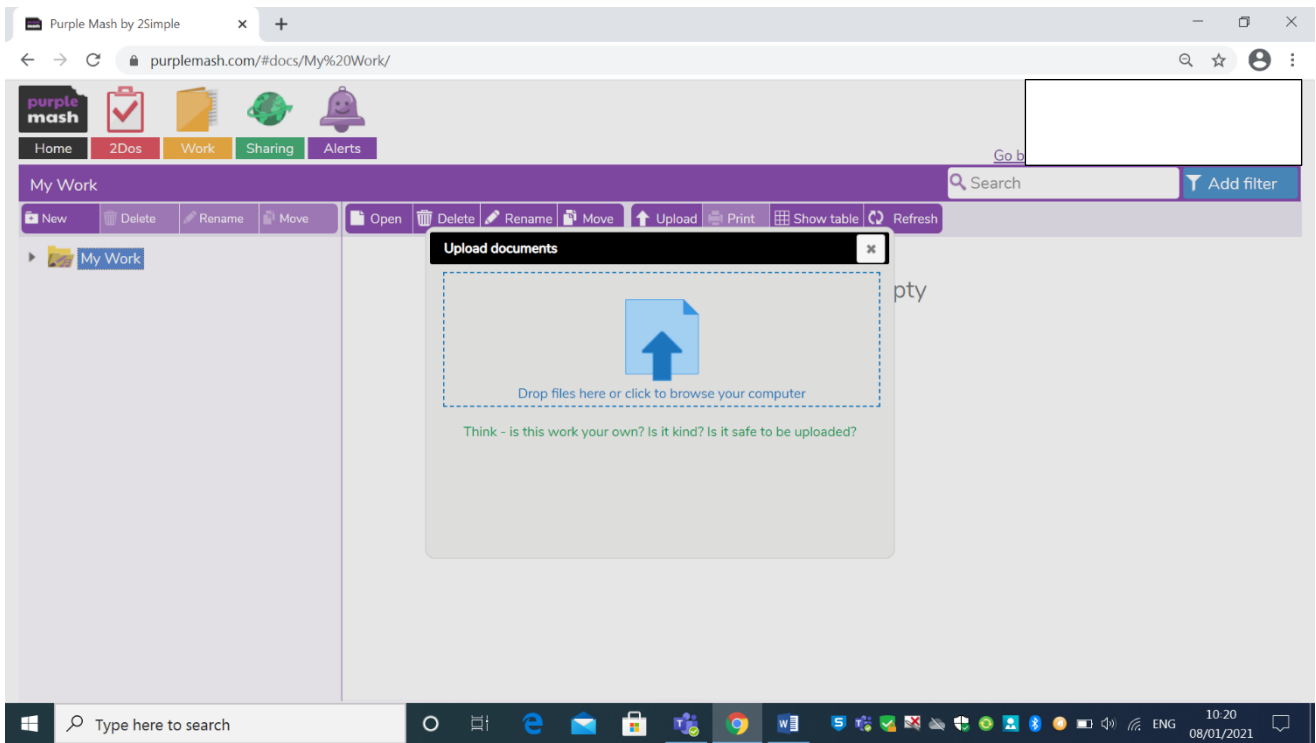

- Log in to Purple Mash using your child's individual login

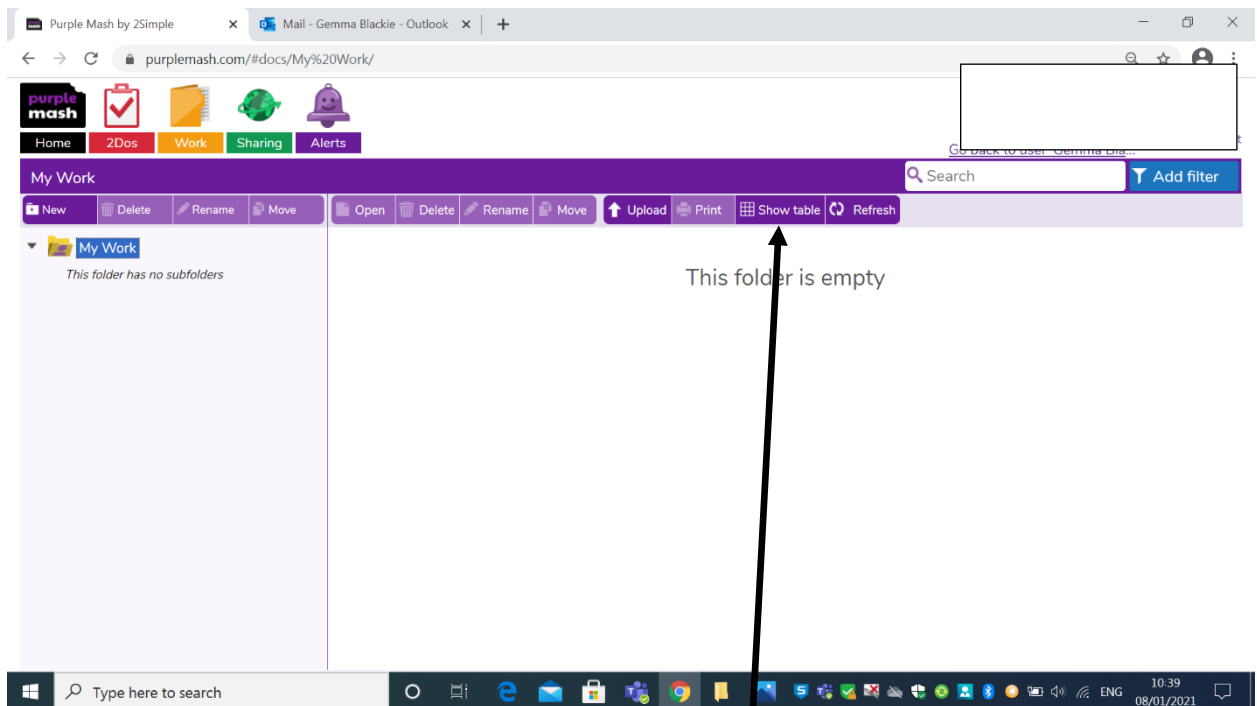

- Click on the work button to take you to your child's work page.

- Click on 'upload' to search for your photos.

- Drag your files in to the box or click on the blue arrow to browse your files.
- When you have chosen your files a 'done' button will appear. Click this button and your photo will upload to your work space.

- Once you have uploaded photos of work, your child can see feedback comments by clicking on the photo. Comments should appear on the left hand side.
- Another option is to click on the 'show table' button and this will automatically show you any comments that have been made.
