Principal's Report: Carol Bender

- Mrs. Bender stressed the importance and value of hearing the concerns of our school families at the last board meeting
- The school is striving to make the changes to address the concerns that were expressed
- Reviewed the upcoming school board applicants
- Would like in the future to rotate board member terms to avoid a large number of departures at the same time
- Discussed that plans need to get underway related to the 3 to 5 year strategic plan for the school
- By receiving the waiver school will stay open unless mandated by the state or county
- Requirements may mean we take on the high bred method, one week on, one week off, verse present schedule
- Teachers and nurses met to ensure all staff are aware and comfortable with COVID processes and procedures
- New staff hire for middle school math department looking to fill a librarian position possibly in the future
- Tech fiber wire is presently upgraded throughout the building thus increasing the speed and reliability of the schools WIFI
- Carpool changes for rainy day are working effectively and may be the future everyday carpool method

Closing Prayer: Carol Bender
