

Posts from the Admission Office - 5th Edition

Greetings from Concord Hill School! We can imagine that like us you are quite done with wintry weather and ready for spring to emerge. As I write, I can hear a cardinal chirping a beautiful tune just outside my window, so there is hope for sure.

The January 31st application deadline has passed, however, we are still accepting applications, some of which could be activated should there be availability after the first phase of admissions.

We would like to take this opportunity to thank each and every one of you for going on the admission journey with us. It has truly been a great pleasure and privilege to meet the applicants and their families.

The applicant families will be informed of our admission decisions at the close of our school day on Friday, March 5. Again, our sincerest thanks for your interest in Concord Hill School. We wish you all the very best.
