Students and families,

You are receiving this because our records indicate that you (your student) will **be attending in-person school** (if you would like to change this, see below).

As we begin to welcome students back to in-person learning, there will be a transition period on Monday and Tuesday. We have provided a link below for ==next week's schedule==, this calendar will show you when and how students are expected to be engaged in learning next week.

Linked below, you will also find the ==new== Daily Class Schedule. Wednesdays will continue to be online learning days for all students.

- 9th graders – Begin In-Person on Tuesday, Feb 23rd.
- 10th, 11th & 12th graders – Begin In-Person on Thursday, Feb 25th.

We will review all safety information with students on their first day. In the meantime, a couple of important notes:

- Masks are required (we can provide you with one if needed).
- There are no school uniforms this year. We will review the dress code policy with students on their first day.
- Students are expected to bring their Chromebooks and chargers every day.

[Daily Class Schedule](#) This schedule begins Thursday, Feb 23rd and will be used until the end of the year whether we are in person or in distance learning mode.

You can find information in the Re-entry Guide linked below around safety measures, dress code, lockers, arrival/dismissal, transportation, etc.

==**If you would like to switch from In-Person to Distance Learning, please do so by Friday, Feb 19th.**==

- Log onto SmartChoice at https://enroll.tulsaschools.org/login and use the "Semester Two Commitment" form to select the distance learning mode.
    - **Please be sure to use the drop-down menu in the upper right corner of the "welcome" screen to choose the 2020-2021 school year**.

If you have already completed this form and want to keep your child's selected learning mode in semester 2, you do **not** need to complete it again.
