

Dear Parents,

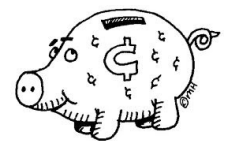

This year for the annual Fifth Grade Young Entrepreneurs' Day (formerly known as BizDay), we are continuing our fundraising component to raise money for the ACTION piece of our Exhibition. For those who are new to the CDS

Bearss Avenue Campus, Young Entrepreneurs' Day is when Fifth Grade students will operate their created businesses, selling goods to students in our elementary school. Young Entrepreneurs' Day is a culmination of a unit on entrepreneurship, business, economics, and marketing.

This year, each student (in grades one through five) will be given four tickets (worth one dollar) to spend at Young Entrepreneurs' Day, on Monday, March 8, 2021, or Tuesday, March 9, 2021. (Their teacher will sign up their class for one slot to shop on either March 8th or March 9th). In addition to these free tickets, students are encouraged to **purchase ONLINE up to \$10.00 worth of additional tickets (40 tickets)** to spend at the various businesses. Each business will be selling goods priced at two dollars (8 tickets) or less. Please note that money cannot be refunded for unused tickets and tickets will not be available for purchase on Young Entrepreneurs' Day.

We thank you so much for helping students earn money for the "Action Piece" of our Exhibition.

**Please complete your child's online ticket order by Thursday, March 4, 2021. Please make sure to complete each field when ordering to ensure your child receives his/her tickets.**

\*\*\*\*\*

**Tickets must be purchased by Thursday, March 4, 2021.**

**THANK YOU AGAIN FOR YOUR SUPPORT!**
