Blue and Yellow boxes indicate when “In Person” students attend that class. They also guide Distance Learning (DL) students to know when they should attend Live Zooms per the instructions on their teachers’ Canvas pages. Students who are in Distance Learning at Rogers are expected to keep pace with their In Person peers. It is critical that DL students make every effort to join the Live Zooms on the schedule outlined on their teachers’ Canvas home pages. The level of engagement for DL students will look different based upon the level of engagement, grade level of student, etc. DL students should not expect that same level of engagement with their teachers that In Person students will receive. DL students should also communicate with their teachers if they are going to miss a Live Zoom for a doctor’s appointment, illness, etc.

### Things to Know

- \* Wear a properly fitting mask on the bus, in the building, in the hall, in the cafeteria. You only take it off JUST BEFORE you pick up your fork to eat.
- \* Only enter the school through the back door by Attendance or through the front, main door. Breakfast is served to bus riders as they arrive and to all others at 8:10am. After school you may pick up a meal by the back doors of the cafeteria to take home.
- \* Wednesdays continue to be at home, distance learning days through the rest of this school year for all students.
- \* Remember, when on Zoom – dress, speak, and write appropriately. Show your real name. Show your video picture.
