SUMMER SPARKS ENRICHMENT COURSES

VINEYARD APP CAMP

TECHNOLOGY AND ENTREPRENEURSHIP (BUILD YOUR OWN APP)

Grades 5 - 8

July 19 through July 23 11:00 AM – 2:00 PM Monday – Friday
and/or
July 26 through July 30 11:00 AM – 2:00 PM Monday – Friday

\$350 per week for the 5-day session

Plus a one-time non-refundable \$50 registration fee (waived for fully paid registrations before April 12th)

In this course, your child will learn the skills to be a coder and the mindset to be an entrepreneur, through actually building and releasing an iPhone app with their peers! Students gain an exciting set of 21st-century tech skills, work as a group, and learn about innovation and entrepreneurship. In the beginning of the course, students learn about logic, coding, and design and collaborate on exercises. The final project is to make an app for a real, local non-profit organization that has requested an app from this class. Previous students have created real apps being used right now by a mental health charity, a New York non-profit, and a charter school in the UK.

Students do not need any previous experience or special software: just a love of business, design, or coding, and the desire to have fun! All they need is a laptop and by the end, they will have their own iPhone app on the App Store to share with family and friends just like a Silicon Valley entrepreneur.

APP DESIGN (HANDS ON DESIGN THINKING)

Grades 3 - 8

July 26 through July 30 11:00 AM – 2:00 PM Monday – Friday
and/or
August 2 through August 6 11:00 AM – 2:00 PM Monday – Friday

Plus a one-time non-refundable \$50 registration fee (waived for fully paid registrations before April 12th)

Interested in drawing, arts, or design? This is the hands-on design course for students who are always doodling, and even more so, students who want to learn how design is used professionally. In this class, students will learn the basics of modern digital design on web platforms, including Canva, Pixlr, and Adobe. They will learn colors, contrast, composition, digital typography, and more. Then, at the end of the course, they will work as a group alongside their peers to complete an actual, professional design project for a local, Philly-area nonprofit. Previous students have created posters, social media campaigns, and other collateral seen by thousands! All students need is a computer.

Looking for adventure? Ready to face off with villains and fight for the common good? If so, then you have what it takes to join our camp.

Tabletop role playing games are cooperative storytelling games in which your kids are the heroes of the story. Together they work towards a goal, solve puzzles and defeat baddies, all while having a blast. It is an interactive choose-your-own-adventure, full of collaboration and fun. Participants will create and develop their own characters, role play in game, and build those bonds that turn strangers into friends. No experience with Dungeons & Dragons necessary.

FOR THE LOVE OF THEATER Grades 2 – 6

July 26 through August 6

8:30 AM – 3:00 PM Monday – Friday (10 days)

\$825 for the 10-day session

A non-refundable \$50 registration fee (waived for fully paid registrations before April 12th)

Children will learn various aspects of the theater in this fun and educational camp. They will participate in a wide variety of games and exercises which will help strengthen their creativity and imaginations as they learn the techniques needed to prepare and develop interesting characters, monologues, and scenes. Students will study the wonderful world of improvisational acting and explore the history of the theater: beginning with Greek theater and traveling through time to modern American theater. Each child will have the opportunity to design either a costume or a set for their monologue/scene and they will also make their own theater mask! On the last day, the children will share what they have learned with parents and friends in a casual showcase.

No experience is necessary so come and enjoy!
