Dear Parents/Guardians,

Please take a few minutes to access the link for the [Return to School](#) page on our district website, and review the hybrid instructional schedules. If you selected in-person instruction for marking period three, your child will return to school on March 1, 2021. If you selected the fully remote option, your child's program will remain as it currently exists. As we continue to navigate the impact of the COVID-19 pandemic, things sometimes change quickly, and we encourage you to check our website regularly. Specific questions about your child's scheduling should be directed to the building principal.

All students returning to in-person instruction on March 1, 2021, will be attending four days per week via our hybrid model. In addition, all students will be totally remote on Wednesday each week to allow for enhanced cleaning due to the increased number of people coming into each building.

We appreciate your continued support, and we are excited about staff and students returning to our schools.

Sincerely,

Bernard F. Bragen, Jr.
