

Parenting Children with Special Needs

10 Week Class!

All parents and children who are served by School District 196 Early Childhood Special Education programs are invited to a class planned just for you. Connect with other parents of children with unique needs and who share similar experiences of parenthood. Enjoy learning and discussing through Zoom at home, or in person at the DVLC. Class will be led by a licensed parent educator and trained special education staff while your children play comfortably at home or in the classroom. This class is offered at no cost to families. Programming is funded through a collaboration between ECSE and ECFE. Registration for this class will be processed through ECSE.

To register, please fill out this form and return it to your child's Special Education teacher.
