WELCOME TO MARDI GRAS 2021

THE STARS AT NIGHT ARE BIG AND BRIGHT!

We are so very grateful that you have joined us for this very special virtual event to support scholarships for Ursuline students. In these extraordinary times, funding for tuition support is more critical than ever. Proceeds from Ursuline's annual Mardi Gras Gala provide nearly half of the scholarship dollars needed each year to support deserving students. Since its inception, this event has generated more than \$25 million in financial assistance, making an Ursuline education possible for countless young women.

With heartfelt gratitude and much delight, we wish to thank our incredible co-chairs, Stephanie Staubach Phillips '87 and Amy Staubach Mentgen '95, for their enthusiastic leadership and creativity in reimagining this year's Mardi Gras event. We also acknowledge the contributions of all our amazing volunteers who have worked tirelessly to make this event possible.

How blessed we are to be part of this caring Ursuline community! Your gifts tonight will be life-changing for those who otherwise would not be able to experience Ursuline without your support. So, celebrate in the comfort of home with your family and friends. Enjoy our program. Show your *Serviam* spirit by bidding online for The Biggest and Brightest and Silent Auction items. With your help, we will make fundraising for scholarships in 2021 a stellar success!

“Too bad, but we’ll have to postpone.”

“Let’s save those ideas for next year’s Mardi Gras.”

That conversation could have been the story of Ursuline Academy Mardi Gras 2021, in the time of a pandemic; especially in light of all the closings, postponements, and cancelling of events we note wherever we turn.

But, instead, at Ursuline, “The Stars at Night Are Big and Bright” are lighting the way to a spectacular Mardi Gras Gala, February 27, 2021, “Deep in the Heart of Texas.”

Undeterred by the challenge of a virtual event, our Chairs, Amy Staubach Mentgen '95 and Stephanie Staubach Phillips '87, just worked harder and found new ways of “doing” Mardi Gras.

Because of their labors of love, and those of their intrepid committee members, many young girls will have their dream of Ursuline realized – a dream out of their reach without financial help.

And then, of course, those girls will give back, continuing the circle of giving and ongoing education – education not only in academics and life skills, but also – underlying everything – the ways of peace and justice modeled for us by Jesus.

We Ursuline Sisters are full of gratitude for all who have had a part in the creation of this shining event, “The Stars at Night Are Big and Bright.”

And to all our guests, Enjoy!

Ursuline Sisters

WELCOME TO THE FIRST EVER VIRTUAL MARDI GRAS AUCTION

WE ARE HONORED TO SERVE AS CHAIRS OF THE URSULINE ACADEMY 2021 MARDI GRAS AUCTION.

As graduates of Ursuline Academy and now parents of Ursuline students, we treasure the Ursuline experience. We couldn't think of a better way to give back than by helping to raise scholarship dollars to spread the gift of an Ursuline education and experience. We are blazing new ground with this year's format. In planning the event, we wanted to provide our community with a safe and enjoyable Mardi Gras experience. We hope you will embrace the virtual experience and bid often and generously.

We would like to thank our Committee Chairs and all the volunteers whose enthusiasm, support, and creativity were such a blessing as we planned this year's virtual event. We would especially like to thank Gretchen Kane, Catherine Maurer, Kathie Wood, and Jada Stotts for their support and guidance.

As you enjoy this evening's program and virtual auction from home, please know we thank you from the bottom of our hearts for your support and feel blessed to be a part of the Ursuline community.
