February 19, 2021

Dear Lincoln Families,

Without the ability to hold public PTO meetings, we are sending out this newsletter to provide updates and information that would normally be shared during those meetings.

It's almost a year since Lincoln closed due to the pandemic. The pandemic has brought on a tremendous amount of change to all parents, students and staff of Lincoln Elementary. Throughout this time, one thing is for certain we are a special community that will make the most out of any situation.

The pandemic has taken away the possibility for a lot of fundraising opportunities for the PTO, but we are happy to announce two coming up! In April we have our largest fundraising event for this year... we will be holding a virtual booster-a-thon! In May we will have a Mother's Day fundraising event! Please be on the look out for more information for both events. Our fundraisers are only successful in great thanks to your participation and support! This year we are looking to purchase additional air conditioning units for classrooms, celebrate our 5th graders and make the student's return to school as fun as possible! We thank you in advance for your support!

Spirit wear is also available for purchase on our website; share your Lincoln spirit with a t-shirt, sweatshirt or a Linc the Lion!

The PTO is currently looking to recruit members to sit on our board. Due to graduating children and moves, we currently only have 2 active board members. The PTO is a voluntary organization and requires commitment to assisting with school events and fundraisers. If you are interested in becoming a board member, please send an e-mail to lncpto@gmail.com with your contact information and we will reach out to you!

Sincerely,

Lincoln Elementary School PTO
