

Hello,

Registration is now open for the 2021 Rocori High School fishing team.

Please share this email with anyone who may be interested.

With the ongoing covid-19 situation, and the recommendation to avoid a large group meeting, will be doing our signup a little different this year.

Attached is the signup form. We will have you sign up and send me the registration forms with payment by March 21.

Below is the info I was going to do at the meeting. I will do my best to explain it all but feel to call, text or email me with any questions.

1) What we do

We are a high school fishing teams for kids 9-12 grades. Kids entering 9th grade for the 2021 school year are eligible

2) What your \$ 110 registration fee gets you. (Registration deadline March 21)

Your registration fee includes a team jersey and hat. We expect our anglers to wear your jersey and hat at each team event. We are fortunate to have many sponsors and it is the least we can do. If you want an additional jersey, for example, for a parent, sibling or boat captain, they are \$ 45. You will need to add the persons name and size on the registration form.

Fishing industry discount package. The discount package will be emailed to you once I receive your registration.

access to weekly team fishing league and prizes.

Team ruler (If you were with us last year, we ask you reuse them.) New rulers will be given out to new kids who sign up

membership to the bass federation (bassfederation.com). I will get you a tbf number which they assign you that will be needed if you want to sign up for the Student Angler Trail Tournaments (MNSATT.org) this summer or the tbf tourneys.

3) Boat captains.

You will need to provide your own boat captain for weekly events and tournaments. Boat Captain needs to be out of school and 19 years of age or older.

4) Remind App.

I will be using the remind app for communication. If you are not in our remind group, send me a text (250-0218). I will then send you an invite for you to accept to join our remind group. Our remind name is ROCORI Fishing 2021

5) Fishdonkey -

We will be using the fishdonkey app this summer for our weekly league night bass fishing events. Please download the fishdonkey app and create an account. Then select the tourney "Practice Entering a Fish" There is no charge for this. Once I have it set up, I will text you the name of that weeks event. We will be using the team supplied rulers to take pics of the fish. You may round up to the nearest 1/4". Fish pics need to be taken through the fishdonkey app. see tutorial below for entering a fish.

In addition to our league events, we will also be having a season long fishdonkey tourney which will start May 15. Categories will be largemouth bass, smallmouth bass, walleye, musky/northern pike,

crappie and sunfish. We will then award prizes for each category at our year end event. The more you fish, the more chances you have to catch an eligible fish. Please take a pic of the on the ruler with the nose touching the end of the ruler. Also take a pic of you holding the fish for our social media.

[It's Easy to Enter a Fish](#)

6) League Night

Our weekly bass fishing nights will be starting around the end of may or first week of june. We are still working on dates and lakes. I will send out schedules at a future date. 6:00 – 9:00 will be fishing times. Fish pics need to be taken thru the fishdonkey app during this time frame or the fish will not count.

7) MN Student Angler Trail (mnsatt.org)

The minnesota student angler trail is a very popular event for our kids. There are tourneys across the state to participate in. I am proud to say our kids have done very well in these tourneys. Two person teams and a boat captain are required. You are responsible for your own boat captain for these tourneys. Tourneys fill up literally in a manner of minutes so be prepared if you want to signup. In order to signup, you will need your tbf number which is supplied by the bass federation. If you were with us last year, it is the same number you had before. If you are new, I will get you your number.

10) Classic Bass

Classic Bass is one of Minnesota's most prestigious pro bass circuits and they work very closely with the MN Student Angler Trail. Classic Bass offers high school kids opportunities to be a boat captain for the day with a proangler at their tourneys. You also make \$ 50 and get lunch!! Go to classicbass.com for more details.

11) Jerseys and clothing.

Jerseys are included in the entry fee. However, you have the opportunity to order additional jerseys for an additional \$ 45

Please send registration by March 21 to

Rocori Fishing

13741 Fawnview Lane

Cold Spring, MN 56320

this is also my home address if you want to drop it off.

My cell phone is 250-0218. Feel free to call, text or if you have any questions
