Distance Learning STUDENTS SHOULD BE ONLINE, participating in whole class activities with their teachers.

Green boxes indicate when students who are in person will be receiving live instruction from their teachers. **Distance learning students can receive support the last 30 minutes** of each core class as indicated by the white boxes. Students who are in distance learning at their home site are expected to stay on pace with the students who are in "in person" mode of learning and it is critical they make every effort to join the live zooms. Students should continue to go to Canvas to find the links for the live zooms. The level of engagement will look different based upon the content area, grade level of students, etc. Students remaining in distance learning should not expect the same level of engagement with teachers during "live" lessons as the in person students and communicate with your teachers if you have extenuating circumstances that prevent you from attending live Zoom class consistently.
