

# Conversation Cards

Get to know your family by asking them the questions on these cards. Cut out the cards. Then have a person pick a question card and read the question. Each member of the family takes a turn answering the question. Repeat until all the cards have been used. You could also pick one question a day and make the game last all week! Have fun getting to know your family members!

Tell me about the best and worst parts of your day.

What's your favorite thing to do in the car?

If we were at the grocery store, what would you like to buy?

What's your favorite smell? What's the yuckiest thing you've ever smelled?

What's the first thing that you remember about mom or dad (or a sibling)?

What would you like to do more with your family?
