

The **Music Parents Association (MPA)** at Palos School District 118 is a volunteer organization whose mission is to support the advancement of education through the school district's music programs. The MPA provides supplemental financial resources through various fundraising efforts, including our annual signature event -- the Harvest Fest. Funds raised are used for educational music activities, equipment, and supplies. In addition, the MPA also conducts ancillary activities such as hospitality during key musical events at the three Palos District 118 schools.

Families with children in band and/or choir are automatically members of the MPA. As a member, we ask that you commit to volunteer an hour or more at one of our events which are publicized through email and our Facebook page "Palos 118 MPA" (please feel free to "like" us!). We also encourage all D118 families, particularly those with children in band and/or choir to donate to the MPA. A contribution of just \$10 can help offset the cost of logistics for the 16+ performances presented by more than 200 students in the Palos District 118 music programs.

Thank you for your support!

Choose from two convenient payment methods!

1. Please return this form, along with your donation, to your child's school. Checks should be made payable to District 118 MPA. Please place the form and payment into an envelope labeled "MPA Contribution"

OR

2. Go to the District webstore and make your contribution online at www.palos118.revtrak.net. Select "Parent Associations", "Music Parents Association", "Donations".
