PAYMENT SCHEDULE AND FURTHER INFORMATION

APPLICATION FEE

The non-refundable application fee as shown in the Schedule of Fees must accompany each application form. We are unable to issue an invoice for the application fee, but a receipt will be issued upon request.

ENROLLMENT DEPOSIT

A non-refundable enrollment deposit as shown in the Schedule of Fees is payable on enrollment and/or re-enrollment.

If a student fails to start or is withdrawn from school, the deposit will be retained by the School.

For day students, this deposit will be applied toward the second semester tuition.

For boarding students, this deposit will be held in credit by the School until the end of the student's tenure at the School. In the student's final year, the remaining balance will show as a credit to their account less any additional expenses incurred by the student.

DEVELOPMENT FUND

All new students pay a one-time-only Development Fund fee of £750 towards the School's ongoing building and maintenance program.

PAYMENT OF FEES

For day students: The first tuition fee installment (60% of the full year fee) plus the one-time-only Development Fund fee for new students (£750) are due on June 1, or 14 days from the date of invoice if issued after June 1. The remaining fees, less the enrollment deposit, are payable by November 15.

For boarding students who do not require a Child Student Visa or Student Visa: The first tuition fee installment (70% of the full year fee) plus the one-time-only Development Fund fee for new students (£750) are due by June 1, or 14 days from the date of invoice if issued after June 1. The remaining fees are payable by November 15.

Fees for students joining TASIS for the First or Second Semester only are payable in full at enrollment.

MID-YEAR STARTERS

Tuition fees are charged on a pro-rata basis from the student's expected start date, and are payable 14 days from the date of invoice. Supplementary fees will be payable in the event of a student beginning school prior to the expected start date.

CHILD STUDENT VISA OR STUDENT VISA

Should your child require a Child Student Visa or a Student Visa, the School must receive the full tuition amount prior to starting the visa process. The tuition fee is to be received by June 1, or 14 days from the date of invoice if issued after June 1.
