PHOTO DAY

AT WHITE BLUFFS!

March 16 and 17

Dorian's Photography will be at White Bluffs on Tuesday, March 16 and Wednesday, March 17 for individual school photos. See the lists on the left hand column for information about your child's picture day.

Envelopes to order photo packages will be sent home March 1. We have Picture Day organized to abide by social distancing guidelines, so it will be a bit different. Students will stand in the photo booth, remove their mask for their photo, put their mask on, and then line up with their classroom.

If you would like to order a photo package, please be sure your child has this order envelope with them the day of their picture.
