

SCHOOL DISTRICT CURRICULUM AND INSTRUCTION GOALS

Adopted: April 2017

Revised: January 28, 2019

Reviewed: January 25, 2021

I. PURPOSE

The purpose of this policy is to establish broad curriculum parameters for the school district that encompass the Minnesota Graduation Standards and federal law and are aligned with creating the world's best workforce.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is to establish the "world's best workforce" in which all learning in the school district should be directed and for which all school district learners should be held accountable.

III. DEFINITIONS

- A. "Academic standard" means a summary description of student learning in a required content area or elective content area.
- B. "Benchmark" means specific knowledge or skill that a student must master to complete part of an academic standard by the end of the grade level or grade band.
- C. "Curriculum" means district or school adopted programs and written plans for providing students with learning experiences that lead to expected knowledge, skills, and career and college readiness.
- D. "Instruction" means methods of providing learning experiences that enable students to meet state and district academic standards and graduation requirements.
- E. "Performance measures" are measures to determine school district and school site progress in striving to create the world's best workforce and must include at least the following:
 - 1. the size of the academic achievement gap and rigorous course taking, including college-level advanced placement, international baccalaureate, postsecondary enrollment options, including concurrent enrollment, other rigorous courses of study or industry certification courses or programs, and enrichment experiences by student subgroup;
 - 2. student performance on the Minnesota Comprehensive Assessments;
 - 3. high school graduation rates; and

4. career and college readiness under Minn. Stat. § 120B.30, Subd. 1.
- F. “World’s best workforce” means striving to: meet school readiness goals; have all third-grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.
- G. “Experiential learning” means learning for students that includes career exploration through a specific class or course or through work-based experiences such as job shadowing, mentoring, entrepreneurship, service learning, volunteering, internships, other cooperative work experience, youth apprenticeship, or employment.

IV. LONG-TERM STRATEGIC PLAN

- A. The School Board, at a public meeting, shall adopt a comprehensive, long-term strategic plan to support and improve teaching and learning that is aligned with creating the world’s best workforce and includes the following:
 1. clearly defined school district and school site goals and benchmarks for instruction and student achievement for all student categories identified in state and federal law;
 2. a process to assess and evaluate each student’s progress toward meeting state and local academic standards, assess and identify students for participation in gifted and talented programs and accelerate their instruction, adopt procedures for early admission to kindergarten or first grade of gifted and talented learners which are sensitive to under-represented groups, and identify the strengths and weaknesses of instruction in pursuit of student and school success and curriculum affecting students’ progress and growth toward career and college readiness and leading to the world’s best workforce;
 3. a system to periodically review and evaluate the effectiveness of all instruction and curriculum, taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, students’ access to effective teachers who are members of populations under-represented among the licensed teachers in the district or school and who reflect the diversity of enrolled students under Minn. Stat. § 120B.35, Subd. 3(b)(2), and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5;
 4. strategies for improving instruction, curriculum, and student achievement, including the English and, where practicable, the native language development and the academic achievement of English learners;
 5. a process to examine the equitable distribution of teachers and strategies to ensure low-income and minority children are not taught at higher rates than other children by inexperienced, ineffective, or out-of-field teachers;

6. education effectiveness practices that integrate high-quality instruction, rigorous curriculum, technology, and a collaborative professional culture that develops and supports teacher quality, performance, and effectiveness; and
 7. an annual budget for continuing to implement the school district plan.
- B. School district site and school site goals shall be reviewed annually to align with district goals.
- C. Every child is reading at or above grade level no later than the end of grade 3, including English learners, and teachers provide comprehensive, scientifically based reading instruction, including a program or collection of instructional practices that is based on valid, replicable evidence showing that, when the programs or practices are used, students can be expected to achieve, at a minimum, satisfactory reading progress. The program or collection of practices must include, at a minimum, effective, balanced instruction in all five areas of reading (phonemic awareness, phonics, fluency, vocabulary development, and reading comprehension), as well as instructional strategies for continuously assessing, evaluating, and communicating the student's reading progress and needs.
1. The school district must annually report to the Commissioner of Education by July 1 a summary of the district's efforts to screen and identify students who demonstrate characteristics of dyslexia using screening tools such as those recommended by the Minnesota Department of Education's dyslexia specialist. With respect to students screened or identified under paragraph (1), the report must include:
 - a. A summary of the district's efforts to screen for dyslexia;
 - b. The number of students screened for that reporting year; and
 - c. The number of students demonstrating characteristics of dyslexia for that year.
