

Istation at Home Access

Students can access the Istation program at home using the instructions below.

Here is how you will get into the program:

- Log-in to Clever at clever.saisd.org
 - Username – studentid@students.saisd.org
 - Example – If their student id is 12345, then the username is 12345@students.saisd.org.
 - Password – Student's date of birth - MMDDYYYY
 - Example – If their DOB is August 12, 2010, then the password is 08122010.
- Once in Clever, students will select Istation under district applications.

- Students will launch Istation. Depending on their device, they may have to download Istation. There are directions they can follow on the launch page.
- Once in Istation, students will go into Reading with ISIP.
