This is an application for the Centennial Jr. High Stage Crew Class. This class is a year-long course that focuses on creating, designing, and producing the technical aspects for our Thunder Theatre Acting Company, Musical Productions, and showcases. This class is limited to 25 students or less and not everyone will be chosen to be a part of this course. This class requires dedication and willingness to put in time after school for rehearsals and performances. Be honest on your application and fill every question out to the best of your ability. If you have questions, please come talk with me!

1. What grade will you be in next year? Circle one: 8th or 9th

2. What previous experience have you had in the theatre world? (if you haven't that's okay and does not disqualify you from being in this class, just put N/A if you haven't had any experience). Note, your experience could be community involvement, being in a theatre class here at Centennial, or anything to do with theatre that you can think of.

3. What other extracurricular activities are you involved in, either at the school or outside of school? (i.e. sports, piano, karate, choir, others, etc.)

4. Why do you want to be a part of Stage Crew?

5. What are three of your biggest strengths, that you think will be an asset to the Stage Crew Class?

6. What are you most interested in learning about or doing in Stage Crew? (i.e. Lighting, music production, backstage management, painting sets, set design, etc.)

7. If accepted into the class, Stage Crew students will be expected to maintain a 2.5 GPA or higher throughout the academic school year for 2021-2022. They will also be expected to have no F's or U's, and no more than one N each term. This is in place for this class because your academics for all your classes comes first and I need to know that you are focusing on school as we participate in after school productions. Do you understand the expectations for grades and citizenship if you are a part of this class? Circle one: YES or NO

Teacher Evaluations: You must have evaluations from two current teachers. One MUST be from your core classes (math, social studies, English, and/or Science) OR if you've taken theatre here at Centennial, one MUST come from your theatre teacher (if you haven't taken a theatre class that's okay – just pick a core teacher then). Applicants will NOT have access to these evaluations. Please give each of your teachers one of the slips of paper (attached on the back) with information on how they can access the evaluation. Fill out the boxes below so that I know which teachers you have selected to complete your recommendations.
