Notice of Academic Concern

The IB Program demands academic rigor from all students. After reviewing your performance carefully, you are notified of our concern because your grades, attendance, and/or conduct do not reflect the level of interest and achievement required for success in the Foss IB Program. To ensure your success and avoid our concern you are being asked to consider doing the following:

- ✓ Completing all required readings, homework, in-class assignments, labs, and oral presentations with care and thoughtfulness.
- ✓ Participating in and prepare for class discussions and activities, maintaining an appropriate amount of involvement and effort.
- ✓ Raising your level of performance to meet a minimum GPA of 2.0 per class.
- ✓ Contributing to a positive classroom environment by remaining on task and assuming responsibility for your own learning without distracting others.
- ✓ Respecting yourself, fellow students, staff, and the school facilities.
- ✓ Abiding by the guidelines of the academic integrity policy.

Evaluative Criteria

In the evaluation of your performance, teachers will consider the following additional criteria:

- Regular and prompt class attendance;
- Consistent effort and willingness to work hard;
- Having materials for class every day;
- Positive contributions to class discussions and activities;
- Thoughtful and complete preparations of all assignments; and
- Appropriate academic and classroom conduct, following all class and school rules.

I have read the contents of this *Notice of Concern* and I understand and agree to make the positive changes noted in this *Notice of Concern*.
