**Action Items:**

Refresh Requests      No Refresh Request

**Reports:**

[Curriculum Adoption 21-22](#)      Linked is the current department requests.

**Discussion:**

Budget vs Request      The request surpass the curriculum budget.      Each department should prioritize their list and remove any items that are not a need.

Keri and Kayla will be meeting individually with each department to go over thier request lists.      The request should be flexiable and able to used with distance learning

[Nearpod & Flocabulary](#)      -Nearpod should be taken out every year since it is used by multiple departments.      The department should show data supporting their needs. Nearpod will be tabled until SEL Committee Meets.

-If Nearpod is used for SEL, there are seperate funding sources to cover the cost of next year.

-Flocabulary can stay since it is mainly used by Special Education
