Priority Enrollment for Transitional Kindergarten and Kindergarten:

The safety of our students, families and staff is of the highest priority during the COVID-19 pandemic. While our Kinder Roundup event is the highlight of our enrollment season and offers a chance for new families to meet our amazing Principals and Kindergarten teachers, we have determined an in-person event is not in the best interest of the community at this time. We are still allowing priority enrollment to Kindergarten families which will begin on November 30, 2020. Any enrollment completed after December 11, 2020 will be considered open enrollment.
