

Maine School of Science and Mathematics

A Residential Community of Academic Excellence

JOB POSTING **Part-Time Chemistry Instructor**

Application Posting Date: Wednesday, February 24, 2021
Application Closing Date: Until suitable candidate is found
Position Start Date: August 1, 2021

Instructor - Chemistry (PT): The Maine School of Science and Mathematics (MSSM) invites applications for a part time (two-thirds) Chemistry Instructor, with responsibilities for teaching General or Honors Chemistry. Teaching load will be two sections of at most 16 students with weekly labs (up to two preps per semester). There is also the potential to offer a class during our two-week intensive January-Term.

Minimum Qualifications: A minimum of a Masters in Chemistry, or related discipline is required. Candidates should have at least three years of university and/or high school Chemistry teaching experience. All successful candidates will exhibit an ability to inspire students, have excellent communication and organizational skills, as well as willingness and desire to work with highly motivated high school students in a close-knit, residential community. Hands-on labs are a critical part of Science instruction at the MSSM, so experience with all aspects of lab prep and execution is essential.

*If you are interested in this position and meet the eligibility requirements, please complete and return the MSSM application for employment (teaching) <https://www.mssm.org/about/employment-opportunities> a cover letter, resume, transcript and three letters of recommendation to email: moore.tracy@mssm.org or fax at 207-325-3340
ATTN: Tracy Moore with Part-Time Chemistry Instructor in the Subject Line.*
