Alumni Stories

From Reel 2 Real: Taos Whittaker Behind the Scenes
Growing up most of us are surrounded by an alternate reality created by films—leading us to believe and discover the deeper meaning of life. Those films portray the unimaginable life that some of us could only dream of living. For Taos Whittaker (Class of 2014), watching films like Star Wars and Lord of the Rings, led him to create an alternate reality of his own. Read more>>

Coming Full Circle
The ties that bind us are often those that drive our destinies. For Lynsey Howitt (Class of 1996), SAS is a special place—an integral part of her past, present, and future. Read more>>

Forensic Accounting: FBI Calling!
Wearing a boxy hearing aid in her bra, difficulties in learning a new language, challenges with understanding people of different nationalities, Susan Ridley (Class of 1977) now works for the FBI. Read more>>
