Programs

Camp Cannon programs are open to all children, whether they attend private or public schools or are home-schooled. The 2021 Camp season runs for seven weeks from June 14th through August 6. Camp Cannon will **NOT** be running camps the **week of July 5-9**. Most camp sessions are three hours in the morning or three hours in the afternoon. There are also full-day sessions available. Pricing starts at \$190 per half-day session.

The safety of your child is our number one concern while they are in our care. From drop-off to pick-up, you can be assured that your child is in a safe environment. All our instructors must pass a background check and drug screen, and our facility is secured through a comprehensive security system. Additionally, will have one of our Cannon School Registered Nurses and a certified athletic trainer on-site during camp sessions to address needs such as medications and to handle any injuries that may occur.
