## **June ACT Preparation Course – Intensively Paced** **Chaminade College Prep**

This course will deliver strategies and content review specifically for the ACT in a format designed to complement the expectations and curriculum of Chaminade College Prep. Instruction will be provided by experienced ACT tutors who have devoted thousands of hours to helping hundreds of students meet or surpass their ACT goals. Due to the short window of time between the return of April ACT scores and the June ACT, this class will move at an accelerated pace and meet on both Sundays and Wednesdays.

As comfort levels and government guidelines change, we are offering these courses in both an on-site and virtual platform. Students will be able to choose if they will attend in person (and sit in our socially distanced classrooms) or if they will Zoom in from home.

Enrollment in the course is only open to students of Chaminade College Prep. A minimum of 6 students must be enrolled for the course to be held.
