

Title I Presentation

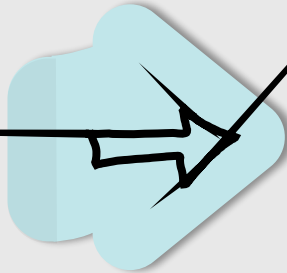

February 25, 2021

Williston Middle School

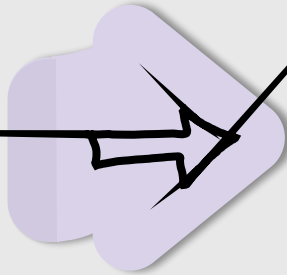

Our vision is for Williston to create and establish a safe, inclusive, and equitable environment that empowers its staff to help students reach their maximum potential, embrace their learning, own their future, and become positive contributors to society.

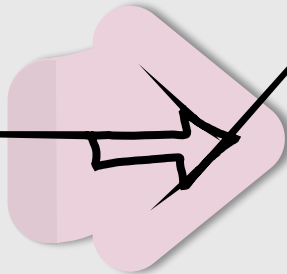

What is Title I?

Title I is a federal assistance program for schools.

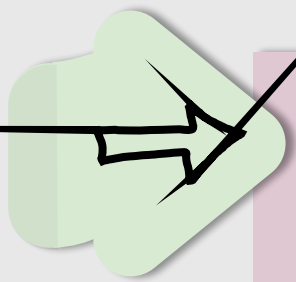

It provides extra funding and support to help students, teachers and families work together.

Title I helps to provide an opportunity for students to be successful.

Families in Title I Schools have rights...

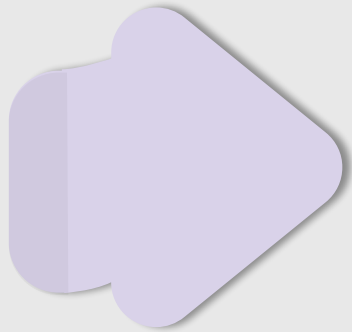

- Know how your child is progressing throughout the year
- Know how your school compares to other schools in NHCS and NC through the North Carolina School Report Cards
- Have input on the school's compact and parent involvement policy
- Be engaged in educational decisions that affect your child
- Offer your opinions about school programs by serving on the School Improvement Team, PTA, and by responding to surveys and attending school meetings

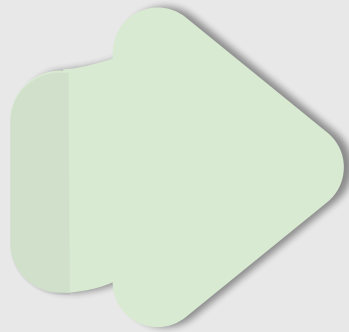

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Williston Middle School will be intentional in developing:

- A school community in which all stakeholders, including students, staff, families, and community members, collaborate to provide a safe, nurturing, and equitable learning environment where all members are empowered to reach their highest academic, social, emotional and personal potential.
- Provide evidence based strategies that are targeted and supportive to our entire school community
- Continue to offer high school credit courses in 8th grade and offer compacted math classes in 6th and 7th
- Engage staff in valuable PLC's where high achievement is the foundation of the collaboration

Parent Engagement

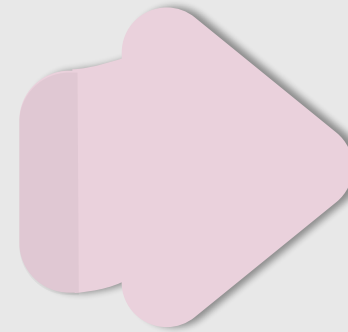

Make sure that both you and your student are aware of academic expectations set for your student

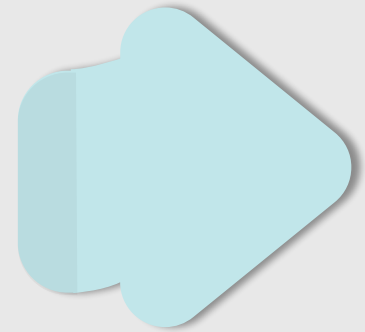

Call your child's school counselor if you have questions or concerns about your student

Make sure that your student is prepared and attends school each day.

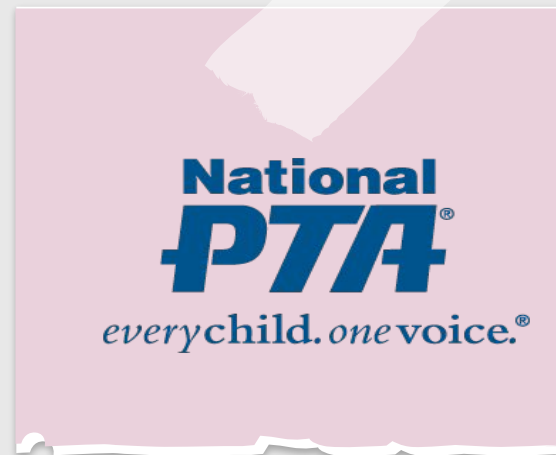

Monitor your student's work and progress

Schedule and attend meetings with your student's teacher(s).

Parent Involvement

How does
Williston
spend its
Title I funds?

4 Full time
teachers

An Instructional
Coach
