

Year 2 Term 4 Overview

English—

Initially the children will be finishing their work on The Princess & the White Bear King and they will write a detailed retelling of a selected part of the story.

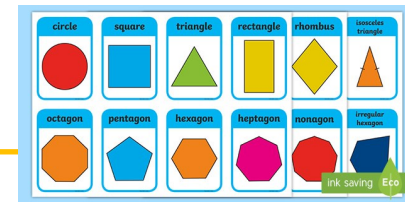

World Book Day will focus on 'The Day the Crayons Quit'

Finally the children will explore the text 'Leaf' where a Polar Bear gets lost. It explores the perceptions of a stranger and the bravery of individuals. It also touches on the issue of global warming.

RE- Islam

We will be learning about the Torah and developing our understanding of Islam.

Maths—

Shape – The children will be continuing to work on shape. They will be able to identify and describe the properties of 2D and 3D shapes. They will be able to group, sort, build patterns and solve problems with all shapes.

Length—As they begin to become increasingly familiar with length they will use mathematical language to compare it, solve problems and understand the difference between the units of measure.

Science—

The children will continue to be working scientifically with lots of different investigations focussed around materials. They will be encouraged to think of an hypothesis (e.g. Smooth materials are the stretchiest) and then investigate to find out if it is true. They will be encouraged to explain their thinking and share their understanding with others.

A Frozen Land 2

Computing—

This term our computing curriculum focuses on creating an animated story in Purple Mash. We will be using our work in English as the basis for the animation.

Geography—

All the children's geography work in our Frozen Land focus will culminate with a presentation of their choice shared with the class.

PE—

In PE we will be focussing on team work! How you communicate in a team, why we have rules and how it feels to be apart of a team!

Art—

The children will be exploring chalk pastels and the effects that can be created. They will be looking at the work of the illustrator Sandra Dieckman before experimenting & experiencing clay and creating beautiful 3D sculptures.
