

Registration is OPEN for all Spring Leagues!!!

www.wascobaseball.com/springbaseball

Our recreational baseball program aims for players to learn fundamentals, develop a love for the game, and most importantly, have fun! The Spring season begins with practices in early April, opening day is later that month. Games (typically two per week) are played Monday - Friday starting at 5:30 or 6pm. Saturday start times range 9am - 5pm. No Sunday games, this day could be used for make-up games. No games are played Memorial Day weekend and the season concludes the end of June.

Hat, jersey, socks, and baseball pants are included in the registration fee. Because safety is our highest priority, we provide quality equipment such as batting helmets and catchers gear for each team.

For more information contact Director of Registration, Mark Gundersen, at registration@wascobaseball.com
