

Addendum to Custodial Bid
Additional COVID related Cleaning Services
Keeneyville SD 20

Over the past year, Keeneyville 20 has added on some additional services to insure our buildings are clean and reduce the spread of COVID 19. These services include the following:

2 – Day Custodians – Disinfectant Specialists that go around to all the buildings and clean the high traffic touch spots such as door handles, stair rails, toilet handles, sinks etc.

1 – Disinfectant Specialist at night that goes to each classroom after it has been thoroughly cleaned by the regular crew, and electrostatic sprays and/or Clorox 360 disinfects.

Additionally – supplies and materials for the disinfecting of the buildings will be on the service provider's contract.

Please include these additional services as an addendum to your submittal. Additionally, include termination language should we decide to terminate these services at any time during the school year.

The District may or may not continue these services in the 2021-2022 school year.
