**A Fully Accredited, Missouri A+ School District...**

Dear CSD Families of 6<sup>th</sup>- 12<sup>th</sup> grade students,

The District will transition to Phase 2 or the hybrid model of our CENTERed on Learning Plan for 6th - 12th grade students on Monday, March 22, 2021. We understand that some families with health and wellness concerns may want to remain in the Full Virtual model. Which is why it's important for us give you the choice to select the learning mode that best suits your family's needs. The purpose of the A/B schedule is to provide more time in a school setting, but at a reduced capacity. We have implemented numerous safety and health guidelines that include all students and staff wearing masks, social distancing, conducting daily self- screenings, implementing hand hygiene routines, thorough cleaning and disinfecting of facilities. Please note, when possible, efforts will be made to keep family groups coordinated so that siblings may attend school on the same days of the week.

Please fill out the official 6<sup>th</sup> -12<sup>th</sup> grade Learning Mode Survey. The Survey will remain open through Friday, March 5, 2021 at 5:00 p.m.

Instructions: Please complete one Learning Mode Request for each student in your family or household to identify the preferred learning mode (Hybrid or Full Virtual). \*If you have more than one student, you will need to fill out a survey for each student.

All requests must be submitted no later than 5 p.m. on Friday, March 5, 2021. Staffing needs will be determined based on the data received from the requests. We are asking that you commit to a decision for the remainder of the semester. Please select the option that best suits your family and your child's learning needs. **Note:** Students whose parents/guardians do not submit a Learning Mode Request on their behalf by 5 p.m. on Friday, March 5 will be assigned the Full Virtual Option. Any late submissions will need to contact the Academic Services office to be considered for a learning mode change. Please email [sjohnston@center.k12.mo.us](mailto:sjohnston@center.k12.mo.us) or call 816.349.3303.
