

Tyler Run Tigers Message

February 24th, 2021

CLASS PLACEMENT FOR 2021-2022:

Dear Parents,

Tyler Run gives parents the opportunity to communicate information regarding their child's classroom placement for the following school year. Do not feel obligated to fill out the form because decisions about your child's classroom placement are made in collaboration with other colleagues and depend upon many social, emotional, and academic considerations. If you wish to fill out the form, responses are due by **Friday March 12th**.

WINTER VIRTUAL CONFERENCE INFORMATION (HYBRID STUDENTS ONLY):

Virtual Parent/Teacher Conferences will take place again tomorrow from 4:45-8:00pm.

REMINDERS FOR DROP OFF AND PICK UP:

- Please stay in your car at all times, the staff outside are happy to assist your child to get in and out of your car.
- If you need to get out of your car for any reason, please pull in a parking spot and then proceed to the drop off line.

- Pull forward as far as you can when you are dropping off - pull to your child when picking up.
- If your child has difficulty buckling their seat belt, please pull-up so cars can pull around you.

Our goal is to unload and load as many students as safely and quickly as possible. We appreciate your cooperation following these guidelines.

ONE COMMUNITY CONFERENCE EVENT #4:

Olentangy Schools invites students, teachers, and families to join the fourth event of our **ONE Community Conference: Healing through ONE Community** event series.

Mark your calendars for the first annual District Service Plunge on March 27, 2021. This event will connect our schools and the community through service learning. Students and families have the ability to choose from 11 different service projects, engaging with community partners from across Delaware and northern Franklin counties. To view all District Service Plunge projects and to sign up to save your spot, view our [interactive notebook](#).

The interactive notebook will be your means of engaging with the event. Inside, you will be able to find information about each community partner, details for the projects, reflection questions for before and after the learning experience, read alouds for each societal issue (elementary), and an RSVP link to save your spot. Please direct any questions about the Service Plunge to kristin_bourdage@olsd.us or mikela_thomas@olsd.us.

HEALTH DISTRICT COVID-19 PSA:

The Delaware Public Health District is currently receiving an extremely high volume of calls and reports of COVID-19. The public is being asked to please be patient as the Health District works its way through the calls and reports. If you have tested positive or have been exposed, the Health District asks that you follow these guidelines: [COVID-19 Positive? Flyer.](#)
