

# Shark Tales

## HiCap Update

### Kindergarten

*We will compile current data from WaKIDS and iReady to compile a highly capable watch list for our current kindergarten students. No further screeners need to be given.*

### Students in Grade 1

*We will conduct our universal screening and assessment when first grade students return to the buildings. Classroom teachers will assist in giving the NNAT3 screener. Parents will have the option to bring their student to school on the specific testing day even if they are opting not to have their student return to the classroom. The NNAT3 will then be proctored by someone other than the classroom teacher. We will let families know the date and time of testing at their school by email.*

### Students in Grades 2-4

*We plan to begin online assessments of students who were referred for screening and assessments once grades 5-7 testing is done. We will send out invitations to test toward the end of March or beginning of April. We will conduct all testing online.*

### Grade 5 Update

*The highly capable department will close the NNAT3 screener on February 28<sup>th</sup> at 8:00 p.m. If you intend to take the screener, please do so by that time. They will send you an invitation to sign up for Iowa Assessments if your student's screener meets the 85% score needed. We would like to complete Iowa Assessments by the middle of March so your student can be prepared to sign up for the appropriate middle school classes during registration. Please sign up for a slot to test as soon as possible.*

### **FOR MORE INFORMATION PLEASE VISIT THE NSD HICAP WEBSITE:**

**<https://www.nsd.org/schools/programs-services/highly-capable-services>**

**Our next supply pickup day will be on Wednesday, March 3<sup>rd</sup> between 8:30-9:30AM or 3:30-4:30PM. Not every classroom needs materials delivered to students regularly. For this coming Wednesday, the following grade levels are participating: Kindergarten, 1<sup>st</sup> grade, 2<sup>nd</sup> grade, 3<sup>rd</sup> grade, and Mr. Nelson's 4<sup>th</sup> grade.**

### **Shelton View Mission:**

*Shelton View is a caring, diverse community of students, families, and staff dedicated to creating a collaborative learning culture whose goal is for all to feel safe and valued, while ensuring academic and social success for all.*

## Upcoming Important Dates

March 3<sup>rd</sup> – Supply Pickup 8:30-9:30AM or 3:30-4:30PM for K, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>,  
and Mr. Nelson's 4<sup>th</sup>

March 19<sup>th</sup> – ASB Wacky Tacky Day (Class competition – more info to come!)

Dear Shelton View families,

The Northshore School District subscribes to several online resources that provide information you can't get on the free web. [Here](#) is a short document with information about how to access these resources. This document also provides directions for checking to see what library books your child has checked out.

Kathy Cissna, MLIS  
Teacher-Librarian, Shelton View Elementary

## Chromebook Tips

- Restart Chromebook frequently
- Keep food and drinks away from Chromebook
- Use Chromebook with clean hands
- Keep Chromebook on flat surface and off the floor

### *Basic Cleaning*

*\*Recommended for fingerprints on touch screens!*

1. Shut down the device and unplug all external power sources and cables.
2. Use microfiber cloths with an ammonia-free cleaner such as Windex Multi Surface Vinegar.
3. Spray the cleaner on the cloth, and use the lightly dampened cloth to clean the surface.
4. Ensure surfaces have completely air-dried before powering on the device or closing and storing it.

**DO NOT** use aerosol sprays, bleach, peroxide-based, ammonia-based, or abrasive cleaners. Avoid excessive wiping or submerging the item in cleanser to avoid damage.

**Never spray cleaners/liquids directly onto computer keyboards or screens.**
