

**COVID-19 Testing Student Permission Slip**

Westmark School is requesting your permission to allow your child to have a COVID-19 PCR test on a weekly basis, every Wednesday for the foreseeable future. This will enable your child to be tested while they are present on campus each week.

Please provide a copy of the front of your health insurance ID card so that we may provide it to Agile Force, our testing vendor. You will receive the results of the COVID-19 tests at the email address you provided on the Agile Force/PMH Lab request/consent forms.

Your signature(s) below (both parents/guardians must sign) confirms that Westmark School has your permission for your child to voluntarily receive the COVID-19 PCR test each Wednesday (until further notice) on the Westmark School campus.
