

At Hollington Primary Academy we always 'THINK BIG!'

Hollington Primary Academy is committed to ensuring all pupils reach their full potential. The whole team strive to provide an outstanding, creative, inclusive and fun learning experience. This is underpinned by high expectations, good behaviour, effective relationships and a welcoming ethos. We strive for our pupils to have positive attitudes, challenge themselves and develop strategies to become independent learners. As an academy we do not 'stand still' and are constantly looking to improve.

At Hollington Primary Academy we want all pupils to 'Think Big' and as such expect them to build and maintain positive **relationships** and demonstrate a high level of **respect** for every member of our academy community.

British Values run throughout our broad and balanced curriculum and academy life.

Respect: showing kindness and politeness to everyone

Mutual: expecting to receive the same kindness and politeness in return.

@ Hollington: we respect everyone, regardless of their gender, race, age, beliefs and ability. and expect other to show us the same level of mutual respect

INDIVIDUAL LIBERTY

Key Stage 1: being allowed to have our own thoughts, ideas and opinions.

Key Stage 2: the freedom to have your own thoughts, ideas and opinions, but not to influence others.

@ Hollington: Everyone knows their human rights and exercise these in school life and beyond. Through PSHE we understand self-help and self-responsibility.

TOLERANCE OF DIFFERENT FAITHS AND BELIEFS

All Years: to learn about all other faiths and cultures, demonstrating and understanding of them and respecting their beliefs. A core part of this is to listen to others viewpoints.
