Message from the Leadership Team

I am so grateful for the support of our NCE families. Anytime our teachers reach out about an event happening in the classroom, our families are always willing to support in anyway possible. Each time we have had a themed dress day this school year- Book Character Day, Holiday Spirit Week, Polka Dot Day, 100th Day of School, Flannel Day and our most recent Valentine's Day, our students come to school decked out in their best themed outfits! It brings so much joy to our campus culture to see our students and staff participating and excited about learning and about the activities for the day. Last week, one of our amazing staff parents spent time decorating the Teacher's Lounge for Valentine's Day so that our staff could have a bright place to work each day. As a working mom, I know that it isn't easy balancing work and keeping up with all of the school events. I'm so impressed with how much our families put into making sure our students don't miss a celebration. I always love seeing the creative outfits and ideas that families come up with when I'm greeting students each morning! I want you to know that your dedication to our school does not go unnoticed. We truly appreciate all that you do to support our students and staff at NCE!

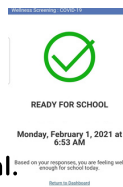

-Mrs. Mosley

Front Office Information

REMINDERS:

- Front office hours are **7:15am - 3:15pm** and you can call front office at **713-842-5650**.
- There will be **NO** early release after **2:00pm**.
- You **MUST** complete the daily health survey on skyward **EVERYDAY** and show proof of completion upon arrival.

Family Corner

Do you have any questions for the School Nurse? Please do not hesitate to contact me for any health-related questions/concerns. Reminder for families to review any communication sent to you about immunization records and submit to the school.

Message from the Principal

Families,

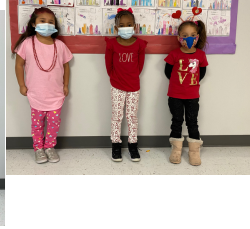

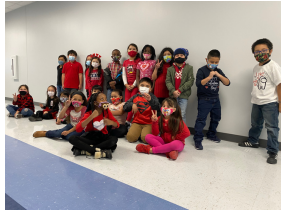

I am extremely impressed by how quickly all of our students have adjusted to being back on campus and in virtual classes this week. While it was a short week, the students enjoyed connecting with their teacher and classmates. My thoughts and prayers are with all of the families who endured many days without power or water and then had damage caused to their home because of busted pipes. The past year has brought about unforeseen challenges and the NCE community is here if you need anything. Have a great weekend.

Ms. LaFlure

Sparks' Life

Here are some pictures from our first Valentine's Day celebration on Friday, February 12th. Our students participated in a safe celebration of friendship with their teachers and classmates at the end of the day. Some teachers worked with students to write their classmates names on the Valentine's cards to promote handwriting practice. We hope you enjoy these pictures of the celebrations from last week!
