Yr 9 – 11 Speakers' Club – Oxbridge – 9 Feb

On Tuesday 9th February, we will be hosting a virtual talk from Kirsty Simpson from Oxford University admissions. Ms Simpson will give an introduction to university generally, with a particular focus on the Russell Group and Oxbridge. This is a fantastic chance for students to learn more about higher education and potentially start thinking about their future plans. There will be time for attendees to ask questions at the end of the talk.

This virtual event will take place via Teams at 4-5pm on 9th February. If students wish to attend, please email Miss Soutter by Monday 1st February.

Yr 11 – Y13 Pledge Insight Events

The Macclesfield Pledge are running a series of sector specific virtual workshops and webinars to give you an insight into a range of sectors. Take a look...

- Tues 2 Feb 5pm-7pm – Construction
- Weds 24 Feb – Self-Employed
- Wed 10 March – Business Services Insight
- Thurs 22 April – STEM and Logistics

- May – Agriculture, Animals and Food Production

Students can register here - <https://candwgrowthhub.co.uk/industry-insights/>

Yr 11 – Y13 Degree Apprenticeship Virtual Open Evening – 9 Feb

As part of National Apprenticeship Week 2021, Manchester Metropolitan University are holding a Degree Apprenticeship Virtual Open Evening on Tuesday 9 February, 5pm-7pm.

You will be able to gain an overview of what Degree Apprenticeships are and the range of courses on offer at Manchester Met. There will be a dedicated session providing guidance on the application process and how it differs from the UCAS timeline. You will also be able to meet and ask questions to current degree apprentices who will be sharing their insight and experience. Please register [here](#)

Yr 11 -13 – GP Live Medical Work Experience

Medical Projects are running a number of online live and interactive GP experience days. This experience will give you the opportunity to act as a doctor. You will take actual patient histories, form diagnoses, order tests & scans and suggest treatment plans. You will work with real medical cases and will have patients to take patient histories from before discussing the assessment with other students and the doctor. There is a charge for this course. Further details can be found at <https://educationprojects.co.uk/medical-projects/gp-live/>

Yr 10 - Yr 13 Unifrog Student Skills Development Webinars 25 Jan – 2 Feb

As part of Skills & Apprenticeship Week, Unifrog are running free student development webinars at 4.30pm each day. They are great for students in Y10-Y13 as they start to think about the skills they need for the world of work. In each session, **employers** will explain why these skills are important and how students can develop them:

- Leadership development - Mon 25 January
- Digital skills development - Tue 26 January
- Problem solving skills development - Wed 27 January
- Entrepreneurship skills - Thu 28 January
- Communication and presenting skills development - Tue 2 February

Webinars

Hear directly from the experts

Students can **sign up now via the Webinars tool** on their Student homepage.

Yr 10 - Yr 12 Morrisby Careers Profiling

All students in Years 10 -12 will shortly be invited to take the Morrisby online test at home. The test is made up of a psychometric and interests assessment which will evaluate the student's strengths and areas for development. It will also provide tailored suggestions for potential career options. Further details to follow.

Yr 10 - Yr 12 Unifrog Meet the Russell Group Webinar – 1 Feb at 4pm

Join this webinar, hosted by Dr Tim Bradshaw (CEO of the Russell Group), to learn which universities make up the Russell Group and find out about the learning experience and student life. Students can **sign up now via the Webinars tool** on their Student homepage.

Y11 – Y13 UK University & Apprenticeship Search Virtual Fair -27 Jan 12-6pm

This event is designed to allow students to explore a wide range of universities and apprenticeships, featuring a range of exhibitors and 10 webinars. Universities will include Russell Group, red brick, modern and specialist institutions, as well as colleges and apprenticeship providers. You'll be able to explore exhibition stands, live chat with admissions officers, student ambassadors, academics and recruitment teams to ask any questions you have, view prospectuses and information, and take part in 10 live and interactive webinars in the auditorium. Students and parents can find out more and [sign up here](#).

To help you get the most out of the event take a look at this Activity Sheet [here](#). It will help you to engage with exhibitors.

Y11 – Y13 UK Meet the Russell Group – 10 Feb 12-7pm

This online and interactive experience will allow you to explore all 24 Russell Group universities and chat directly to their representatives and ambassadors. You will be able to view information and videos about each university, link directly to Virtual Campus Tours to explore university facilities and accommodation, download prospectuses and take part in 13 live webinars in the virtual auditorium.

Students and parents can find out more and [sign up here](#).
