

# Easy Taco Soup

10 minutes • Yields 6 servings

## Ingredients

- 1 lb ground beef, browned and drained
- 48 oz V-8 or tomato-vegetable juice
- 1 can diced tomato
- 1 can kidney beans
- 1 can black beans
- 1 can of whole corn
- 2 1oz. Packets of taco season mix

## Preparation

1. In large soup pot, brown and drain the ground beef.
2. Add the remaining ingredients to the pan.
3. Cook until heated through or until soup is boiling.
4. Serve with favorite soup toppings: cheese, sour cream, etc.
