School Nurses

**Health & Learning
Go Hand-in-Hand**

Who Is the School Nurse?

The school nurse is an experienced health professional who is licensed to practice nursing in the State of Maryland and uphold codes of ethics and professional standards. She belongs to professional organizations, pursues further education, and keeps informed in health issues, trends, and information.

The school nurse uses her skill as ...

... an **EDUCATOR** to teach and advise students and staff about health, nutrition, and hygiene information.

... a **MANAGER** of school and community health and safety programs.

... an **ADVISOR** on health matters for students, parents and staff.

... a **CARE PROVIDER** to set up procedures for giving first aid, to test students' hearing and vision, and to give emergency and prescribed health services.

School Nurse Services

School Nurses:

- ✓ Provide first aid and limited acute care;
- ✓ Administer medication;
- ✓ Work toward prevention and control of communicable diseases;
