Strategic Policies

Nanjing International School – an Inclusive Learning Community
Inspiring International Mindedness, Personal Excellence, Creative Thinking

Students demonstrating personal excellence are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced and reflective.

The Board oversees the governance of the school on behalf of parents who are all members of this non-profit association.

The Objectives of NIS are:

- To operate as a non-profit association of parents
- To challenge students to develop intellectually, physically and emotionally to their fullest potential
- To be authorized and accredited by the IB so the education is internationally transferable
- To provide a supportive learning atmosphere underpinned by personal attention and state-of-the-art facilities
- To serve as a bridge between the international community and the host community of Nanjing, as well as a resource for facilitating a family's transition to China
- To operate in accordance with Chinese laws and local authorities' regulations and directives

The NIS Board determines general policy guidance to the operations of NIS to include the academic calendar, the curriculum, the budget, tuition fees and finances of NIS. It appoints a School Director, creates a development plan for present and future NIS facilities. To this end, the Board has established specific "Strategic Policies" that serve as a foundation for school governance. The Director is responsible for translating these policies into specific procedures, rules and/or regulations.
